RE: Proberts et al v. Family Centered Services of Alaska  
Case No.: 4:07-CV-00030 RRB

Dear Ken:

Thank you for talking with me this morning. I am writing to confirm that we agreed that Family Centered Services' opposition to Loretta Probert's Motion for Summary Judgment is not due until June 5, 2009. Additionally, responses and/or objections to outstanding discovery requests are not due until June 5, 2009. If you note any responses that you require for the Summary Judgment Motion you will let me know. I also indicated that I was going to file a motion to stay the proceedings before Judge Beistline until the appeal is resolved.

I had a bit of difficulty reading my own notes, so do not hesitate to let me know if you believe that I got anything wrong. Thanks again.

Very truly yours,

McCONAHY, ZIMMERMAN & WALLACE
